*Join us to explore the research and learn new ideas for creating intentional relationships that promote healing, enhance resilience, and help youth, families and communities thrive.*

## Dr. Benjamin Houlberg

CEO, Search Institute, Minneapolis, MN

### Keynote Address:

**Relationships are the Roots that Young People Need to Grow and Thrive**

Over the past 50 years Search Institute has developed a powerful understanding of the Developmental Assets and Relationships that are necessary to help young people grow and thrive. Dr. Ben is a developmental scientist, social entrepreneur, and experienced marriage and family therapist. He is widely published on topics including adolescent social and emotional competencies. He is a dynamic and inspiring speaker who engages audiences with his passion and enthusiasm for creating strong positive relationships with young people.

## Dr. Stephanie Grant

Director, Reach Parent Child Program,  
Developmental Enhancement Behavioral  
Health, Holland, MI

### Keynote Address:

**Practical Strategies for Building Positive Relationships with Children and Youth**

Dr. Grant is an energetic and engaging speaker who combines deep insight with humor and practical wisdom. She holds separate master's degrees in Marriage and Family Therapy and Psychology and a PhD in Lifespan Development and is licensed as a Professional Counselor. Her clinical and research interests focus on work with infants and children with attachment concerns and trauma histories. She brings a practical approach to prevention strategies based on both her clinical work and her own lived experience as an adoptive and foster parent.

**\$150 Early Bird Discount**  
Registration through March 15,  
2022

Full rate is \$175

*In-Person includes conference, lunch, & networking.  
Virtual includes conference and networking through
